

ERIC WAMBUA

Full Stack Developer | UI/UX Designer | Content Creator

✉ ericwambua098@gmail.com ☎ +254 112 394 362 📍 Nairobi, Kenya

Professional Profile

Passionate and creative developer from Nairobi with a keen eye for design and a strong foundation in modern web technologies. I specialize in building responsive websites and mobile applications that are not only visually appealing but also user-friendly. My journey began with a curiosity for how things work, and it has evolved into a career where I create beautiful and functional digital experiences. I am constantly learning and adapting to new trends in the industry to deliver the best results for my clients.
